15 November 2024

NAVIGATION BULLETIN NO. 24-146

**MISSISSIPPI RIVER**  
**VICINITY OF SOUTHWEST PASS,**  
**PASS A LOUTRE & SOUTH PASS**

Commencing on approximately 16 November 2024 and continuing through approximately 22 November 2024, the U.S. Government Contract Cutterhead Dredge JS CHATRY will be performing discharge pipeline construction from Mile 1.4 Above Head of Passes (AHP) to the Head of Passes (mile 0), extending into the Mississippi River, Southwest Pass, Pass A Loutre, and South Pass.

Commencing on approximately 22 November 2024 and continuing through approximately 15 February 2025, the U.S. Government Contract Cutterhead Dredge RS WEEKS will be working at the Head of Passes (mile 0), extending into the Mississippi River, Southwest Pass, Pass A Loutre, and South Pass.

Dredged material will be deposited through a combination of floating and submerged pipelines into designated placement areas on the west side of the Mississippi River.

The Dredge will work 24 hours a day, 7 days a week, and can be contacted on VHF Marine Channel 67 for sailing instructions.

Mariners are urged to transit at their slowest safe speed to minimize wake and proceed with caution after passing arrangements have been made.

The point of contact with the New Orleans District is Michelle Kornick at (504) 862-1842 or Heather Jennings at (504) 862-1253.
