NAVIGATION BULLETIN NO. 24-156

MISSISSIPPI RIVER
SUBAQUEOUS STONE PLACEMENT
MILE 266.8 AHP RDB

Commencing on or about 16 December 2024 and continuing through approximately 23 December 2024, a U.S. Government Contractor will be placing Upper Bank Paving Stone along the Right Descending Bank (RDB) of the Mississippi River at approximate mile 266.8 Above Head of Passes (AHP).

The Contractor will work 7 days a week, 10 hours a day, during daylight hours, and the plant will include a spud barge with a hydraulic backhoe. An office barge and various material barges will be on-site, staged along the river at this location.

During nighttime hours, the Contractor will be staged along the Right Descending Bank (RDB) out of the Mississippi River Channel. The M/V PINE BLUFF can be contacted on VHF Marine Channels 13, 16 and 78 and at telephone number (318) 452-5448.

Mariners are urged to transit at their slowest safe speed to minimize wake and proceed with caution after passing arrangements have been made.

The point of contact with the New Orleans District is John Page at (504) 390-5869.
