NAVIGATION BULLETIN NO. 24-158

TIGER PASS
MILE 6.5 TO MILE 9.75

Presently working and continuing until approximately 28 February 2025, the U.S. Government Contract Cutterhead Dredge NIMITZ will be working in Tiger Pass from approximately Mile 6.5 to Mile 9.75.

The dredge will work 24 hours a day, 7 days a week, and will be monitoring VHF marine channels 13 and 16. A combination of submerged and floating pipelines will be utilized for the placement of dredged material to the various designated areas adjacent to the channel.

Mariners are urged to transit at their slowest safe speed to minimize wake and proceed with caution after passing arrangements have been made.

The point of contact with the New Orleans District is Jane Brown 504-862-1297 (office).
