NAVIGATION BULLETIN NO. 25-08

BAPTISTE COLLETTE
MILE 5.5 TO MILE 11

Beginning on or about 10 February 2025 and continuing until approximately 10 May 2025, the U.S. Government Contract Cutterhead Dredge ROBERT M. WHITE will be working in Baptiste Collette from approximately Mile 5.5 to approximately Mile 11.

The dredge will work 24 hours a day, 7 days a week. Dredged material will be deposited through floating and submerged pipelines to the New Bird Island on the east side of the channel.

The dredge will be monitoring VHF channels 13 and 16.

Mariners are urged to transit at their slowest safe speed to minimize wake and proceed with caution after passing arrangements have been made.

The point of contact with the New Orleans District is Mike Sullivan at (504) 862-2373.
