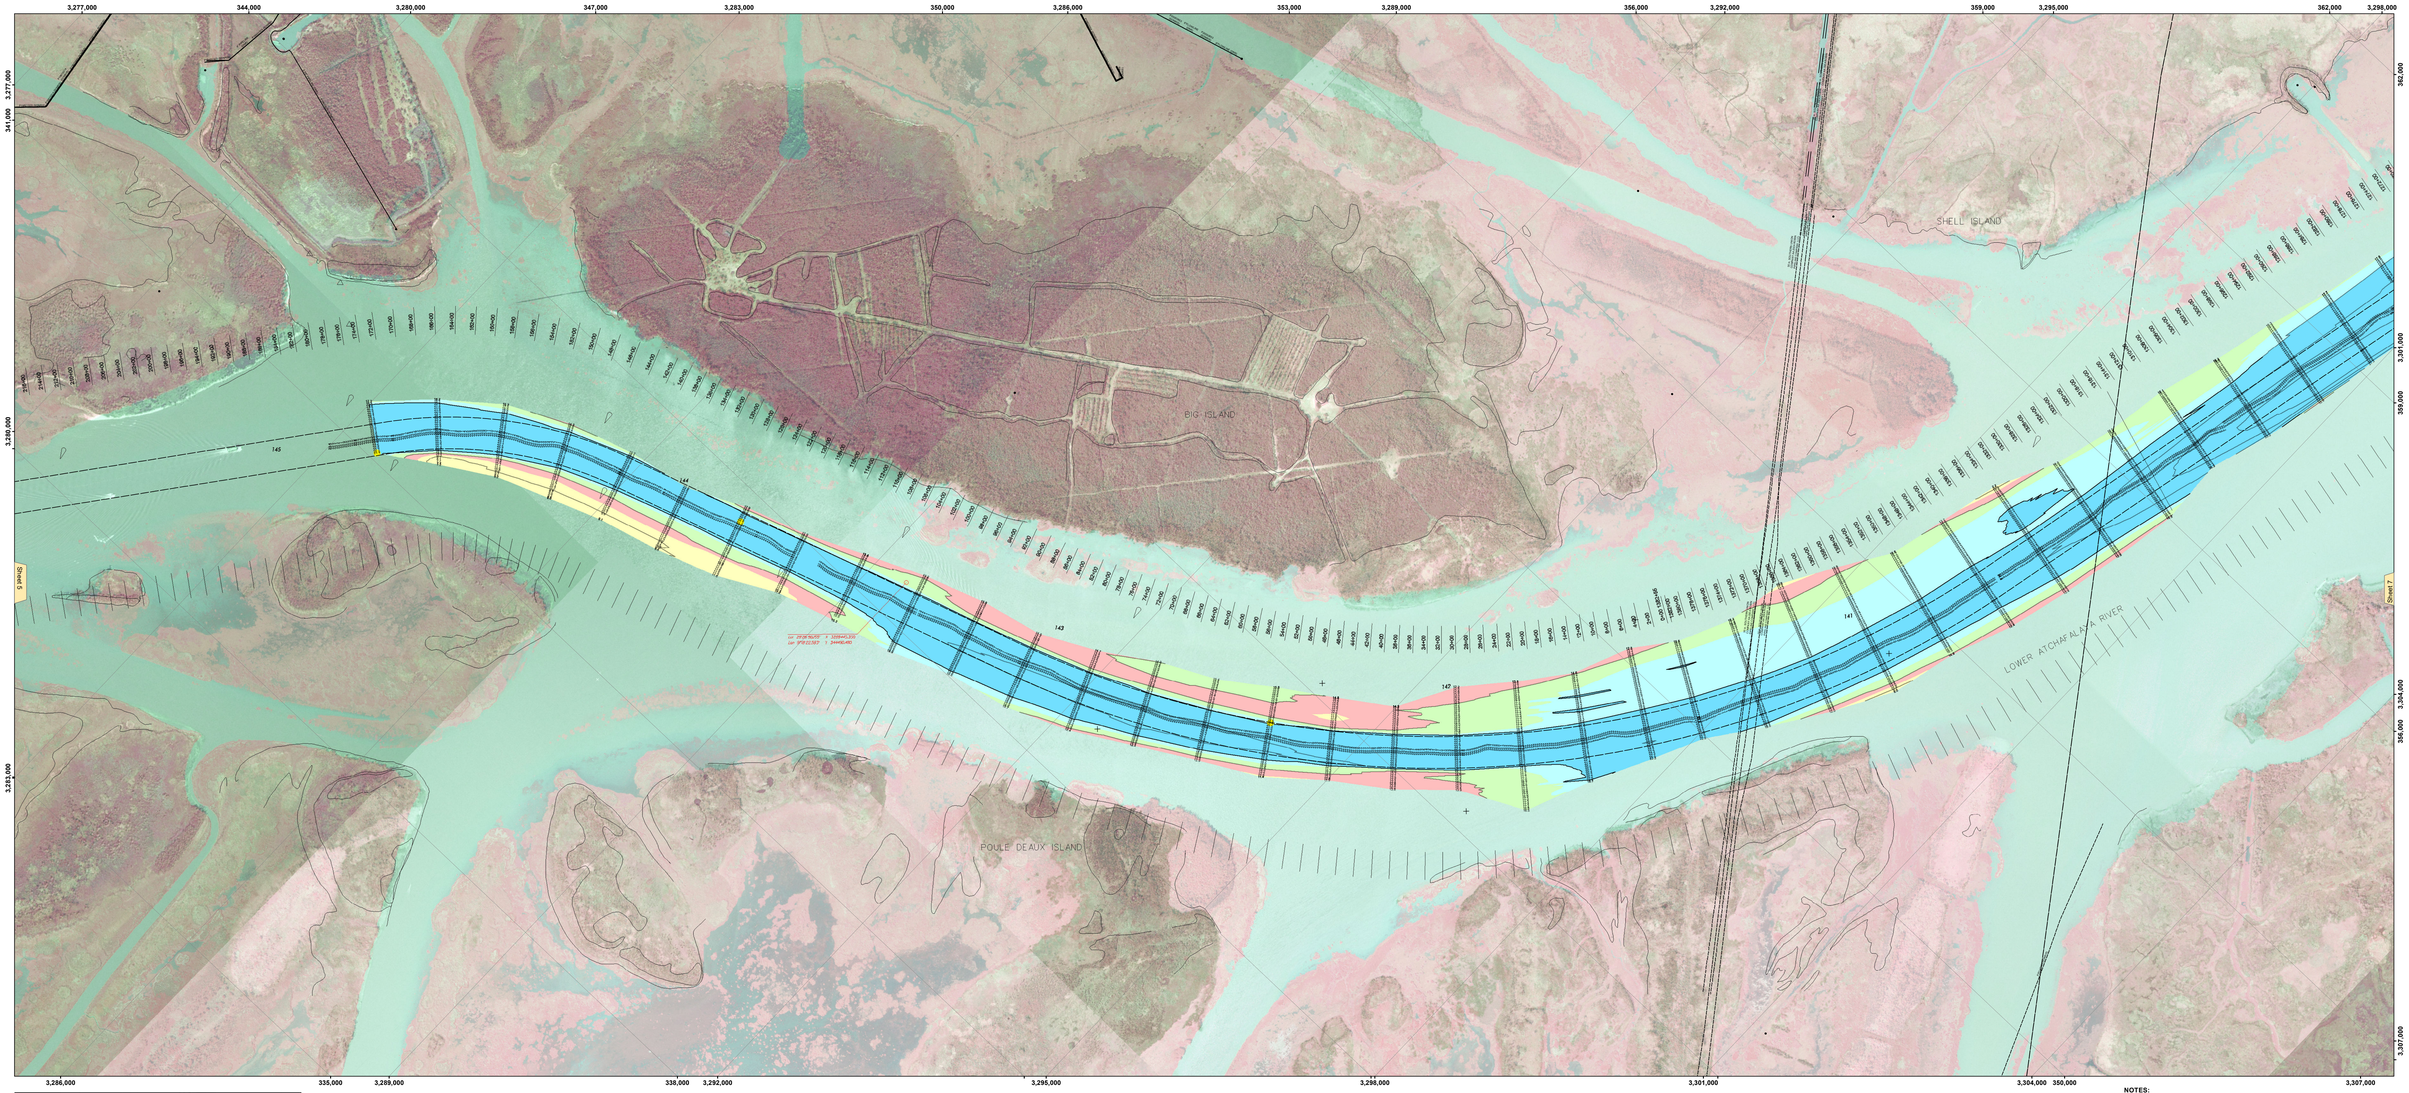
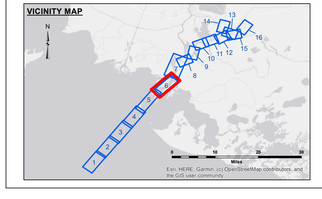
U.S. ARMY



VICINITY MAP



LEGEND

- Federal Navigation Channel
- Federal Navigation Center Line
- As-built Pipeline/Cable
- Unconfirmed Pipeline/Cable
- Project Depth Contour
- Cable Area
- Placement Area
- Anchorage Area
- Obstruction Point
- Wrecks-Submerged
- Borrow Area
- Shoalest Sounding**
- Beacon, General
- Red Navigation Buoy
- Green Navigation Buoy
- -12' and above
- -12' to -15'
- -15' to -18'
- -18' to -20'
- -20' and below
- 3 Fluff Thickness*

Gage Reading:	DM 12; 4.07 MLG
Sea Conditions:	CALM
Vessel Name:	M/V VALENTOUR
Survey Type:	CONDITION
Sounding Frequency***:	HIGH

Feet: 0 | 800 | 1,600 | 2,400 | 3,200 | 4,000

NOTES:

Horizontal Coordinate System:
North American Datum of 1983 (NAD83), projected to the State Plane Coordinate System (SPCS), Louisiana South Zone. Distance units in U.S. Survey Feet.

Vertical Datum:
Soundings are shown in feet and indicate depths below Mean Low Gulf Datum (MLG).
Datum Relationships for gage 03820 as of August 2020:
0.0' NAVD88 = 3.07' MLG

Distances on the Atchafalaya River are shown at 1 mile intervals.

The location of navigation aids are base on and provided by the U.S. Coast Guard.

2019 Aerial Photography data source: PAR, LLC. (1998 DOQQ imagery in green).

Reference is N.O.A.A. Navigation Chart No. 11354.

** Shoalest Sounding per Quarter per Reach.

*** High frequency (200 kHz) survey data represents the first signal return at a sounding location and will include suspended solids, known as "fluff", if present. Low frequency (20 kHz) survey data normally penetrates through this "fluff" layer to depict elevations of consolidated bottom material. Low frequency accuracies may vary depending on channel conditions and fathometer settings.

Distribution Liability: The data represents the results of data collection and processing performed by the U.S. Army Corps of Engineers, New Orleans District. The data is provided "as is" and the U.S. Army Corps of Engineers, New Orleans District, assumes no liability for any decisions made or actions taken by any party as a result of the application of the data for other than its intended purpose.

Data Constraints: Hydrographic survey data is subject to changes in accuracy and reliability due to natural processes, such as shoaling, bank sloughing and scouring (movement). The U.S. Army Corps of Engineers, New Orleans District, does not guarantee the accuracy, reliability, completeness or timeliness of the data. The U.S. Army Corps of Engineers, New Orleans District, reserves the right to correct, update, modify or withdraw this data at any time without prior notice. By using this data, you acknowledge and accept the limitations described herein, including its acknowledgment of the preliminary nature and potential inaccuracies of the data, and agree to indemnify and hold harmless the U.S. Army Corps of Engineers, New Orleans District, its officers, employees, agents, successors and assigns from any liability resulting from the use of this data.

USING DATA:
Access Constraints: The United States Government furnishes this map and data without warranty of any kind, either expressed or implied, including but not limited to, any warranty of merchantability or fitness for a particular purpose. The United States Government and its agencies shall not be liable for any special, indirect or consequential damages attributable to the data supplied herein, including loss of profit, goodwill, computer failure or damage. The user should not rely on these data to make navigational decisions. Changes may be made periodically to the data described herein and these changes may or may not be incorporated in any new versions of the data. If users have obtained data from the U.S. Army Corps of Engineers, New Orleans District, they should be aware that data can deteriorate rapidly or without notice. Therefore, the user should verify the currentness, accuracy and completeness of the data before using it. Distribution of this data to others without also transferring this Disclaimer and Access Constraints is prohibited. Use of this data indicates acceptance of these terms and conditions.
