

Distribution Notice: The data represents the results of data collection processing for a specific US Army Corps of Engineers activity and includes the general existing conditions. As such, the data is not necessarily suitable for other uses without further processing or validation. The user is responsible for the results of any application of the data for other than its intended purpose.

Data Content: Hydrographic survey data is subject to change rapidly due to several factors including but not limited to dredging activity and natural shoaling and scouring processes. The U.S. Army Corps of Engineers does not guarantee the accuracy of the hydrographic conditions shown on this map. The data is intended for U.S. Army Corps of Engineers internal use. Please contact the U.S. Army Corps of Engineers for more information.
