Sea Conditions: CALM
Vessel Name: MV OB 189
Survey Type: CONDITION
Sounding Frequency***: HIGH

DISCLAIMER: The data represents the results of engineering activities and includes the general existing conditions as such. The United States Government makes no warranties, expressed or implied, regarding the reliability, quality, or usefulness of the data furnished. The user is responsible for the results of any application of the data or portion thereof for other than its intended purpose. Data Constraints: Hydrographic survey data is subject to change rapidly due to several factors including but not limited to dredging activity and dam releases and to changes in the hydrographical conditions which develop after the date of publication. This data is intended for U.S. Army Corps of Engineers internal use. Private parties should not rely upon it.
