

US Army Corps
of Engineers
District: CEMVN

DISTRICT STATEMENT
The data represents the results of data collection/processing for a specific US Army Corps of Engineers activity and indicates the general existing conditions. As such, the data is not necessarily survey grade or intended for use as engineering specifications. The user is responsible for the results of any application of the data for other than its intended purpose.

DATA STATEMENT
Hydrographic data is subject to change due to several factors including but not limited to dredging operations, natural shoaling and scouring processes, changes in the hydrographic conditions which develop after the date of publication. This data is intended for U.S. Army Corps of Engineers use and shall not be used for navigation purposes.

INTERVAL STATEMENT
This data is intended for U.S. Army Corps of Engineers use and shall not be used for navigation purposes.
