

DISTRIBUTION STATEMENT A: This data represents the results of data collection/processing by a specific US Army Corps of Engineers activity and includes the general existing conditions, as such, it does not contain classified information or information requiring protection under the National Security Act. The user is responsible for the results and conclusions for the data as they apply to their intended purpose.

Data Constraints: Hydrographic survey data is subject to change rapidly due to several factors including but not limited to dredging activity and natural shoaling and scouring processes. The U.S. Army Corps of Engineers does not guarantee the accuracy of the hydrographic conditions shown on this data. The data is intended for U.S. Army Corps of Engineers internal use. Please contact the U.S. Army Corps of Engineers for further information.
